

CIE Seminar – Objectives & Registration

CIE Seminar

8 am – 5 pm

June 21, 2010

7 CEUs

Registration fee: \$175

The Clinical Instructor Educator Seminar will be held in Philadelphia on Monday, prior to the NATA Annual Meeting.

Registration is being handled in conjunction with Annual Meeting

registration. Attendees can choose to attend both the CIE Seminar and the subsequent NATA Annual Meeting, or just the CIE Seminar.

CIE Seminar Objectives

This 7-hour seminar is designed to provide athletic trainers with an overview of topics related to the development, implementation, instruction, management and evaluation of clinical instruction within a CAATE-accredited athletic training educational program.

It also will provide an open forum for sharing and comparing clinical education philosophies, strategies and best practices among seminar participants.

Upon completion of this seminar you will be able to:

- Discuss the elements of an effective clinical education program;
- Incorporate CAATE Standards for clinical education;
- Provide a format for initial and continuing Approved Clinical Instructor (ACI) training.

REGISTRATION

ALL CIE Seminar participants must register via the **NATA Annual Meeting registration form**, at

www.nata.org/Philadelphia2010/symposia/registration.htm.
