## 2010 NATA Post-Convention Attendee Contact List

A **single-use** of the NATA post-convention attendee contact list is complimentary to all NATA exhibitors. Lists are delivered via e-mail in an unsorted Excel format. In this format you may sort member lists by state, NATA district, member type, work settings, purchasing influence and product/service categories of interest after you have received it.

To order your set of labels, **please fax your completed form to 214.637.2206**. Please allow 10 business days for orders to be processed, from date of receipt of signed one-time use agreement.

Please email [labels@nata.org](mailto:labels@nata.org), or call 800.879.6282 ext. 150 with questions about ordering the List.

Thank you for your support of NATA and of the Athletic Training industry!

### MAILING LIST USE AGREEMENT

The recipient of the NATA mailing list hereby agrees that the information provided will not be sold, redistributed, stored, duplicated, copied, or reproduced in any manner, but used only for a one time commercial mailing of your materials. An entity purchasing NATA's list for 'one-time use' may only use the list to contact members one time, not multiple times. The one-time use does not allow the purchasing entity to provide NATA's members with a "subscription" or any other product or service which reaches members in any way more than once without the members' individual consent. Please complete the information below and return it to NATA via FAX 214.637.2206.

Additionally, the contact information, such as email addresses, are not to be shared among the recipients of your mailing. You agree that any broadcast email will not contain other recipients' email addresses in the "To:" or "Cc:" field.

Members agree to abide by policies and procedures of the NATA. Failure to abide by these requirements is a violation of such policies and may subject the user to sanctions by the NATA Ethics Committee. Non-members agree to abide by policies and procedures of the NATA. Failure to abide by these requirements is a violation of such policies and may subject the user to sanctions by the NATA including refusal to provide future information.

**Signed list use agreement must be received by NATA before list can be delivered.**
