

2009 iLEAD Student Testimonials

"We were able to meet many different people and there were many opportunities for everyone's interests."

"Interviews make me nervous so it was great getting feedback on questions and answers. I was given an idea about the real interview experience."

"It was amazing to meet so many people that have the same dreams and aspirations as me!"

"(Gave) opportunities for students to present real scenarios for the entire group to discuss and resolve."

"There was development of a powerful network for future growth which allows us to become a stronger organization."

"It prepared us for the REAL world!"

"Great tips from mentors!"

"This helped me become more sociable and get to know other AT students."

"The whole thing was great! I learned a lot from the speakers and it was well put together."

"I learned a lot about our field and myself."

"Amazing feedback and opportunity to try various situations, as well as meeting people with the same goals and passions."

"It recharged my enthusiasm for my chosen profession!"

"I feel this prepared me for upcoming interviews in my future."

"Diversity of students: it was awesome meeting other students and hearing their thoughts about their AT programs."

Thank you 2009 iLEAD students!
