Thank you for your interest in submitting a Feature Presentation proposal for the 2016 NATA Clinical Symposia & AT Expo. We welcome your submission!

We typically receive over 200 proposal submissions each year, well over what we can accommodate in the program. To ensure the integrity and balance of the educational program, each proposal undergoes a rigorous review process. The CPC review process involves three tiers: 1) a blind review by 10-15 peer athletic trainers, 2) an objective review by each member of the Convention Program Committee, and 3) open Committee discussion by the Convention Program Committee.

Format & Audience
- Featured Presentations are two hours in length and include presentations from two to three speakers and a question and answer period.
- Attendance is determined by room capacity and range between 1000-2500 attendees.

Important Guidelines
- Featured Presentations are in-depth presentations on one topic relevant to the interest of the membership and should be organized to fall within the domains of practice for athletic training.
- Speakers may include no more than one NATA Non-member.
- Featured Presentations must avoid any affiliation with a commercial product or service.
- Featured Presentations will be scheduled over all three days of the Annual Meeting.
  - **Speakers must be available for scheduling on any of the three days of programming.**
- Proposed topic must not duplicate program content identified on the “2016 Topics Being Developed by the Convention Program Committee” list.
- Feature Presentations must be classified into one of three categories (Clinical Evidence-Based Practice, Principles of Evidence-Based Practice, Non-patient Oriented). See “Call for Proposals” for definitions of each category.
- Proposals must adhere to the Meeting Honoraria/Expense Policy/Complimentary Registration Policy, as it will be strictly enforced.
- The individual submitting the proposal must have confirmed the presentation with all speakers prior to submission.
- Proposal selection is contingent upon approval by the Convention Program Committee.
- Due to an increase in number of proposal submissions and limitations in size of convention facilities, all proposals may not be selected. In this situation, topics will be selected based on the organization of the program, quality of content and speakers, and significance of the material to the NATA membership.
- After **July 16, 2015** the Convention Program Committee will only approve a speaker change if the original speaker is unable to attend the annual meeting.

Deadline
- Proposals must be submitted no later than **July 16, 2015**.
- Incomplete (e.g., missing speaker CV) and/or late proposals will **NOT** be accepted.

Compensation Policy for Feature Presentations
