**One-Time Use Agreement**

Any mailing/email list you receive is subject to a one-time use condition. This One-Time Use Agreement must be signed before the order will be processed.

The recipient of the NATA list hereby agrees that the information provided will not be stored, duplicated, copied or reproduced in any manner, nor will it be used for any purpose other than a one-time email/ mailing of the recipient’s materials. Promotional materials must adhere to the aforementioned guidelines and be submitted to the NATA for approval at time of order.

The recipient of the NATA list also recognizes that the NATA is not responsible for returned items due to incorrect mailing addresses or email addresses. The NATA relies on ATs to inform us of address changes, and the NATA stresses to all ATs the importance of notifying the BOC when an address has changed.

Emails sent using any NATA list MUST comply with the CAN-SPAM Act. The NATA releases any liability if the recipient of the NATA list does not comply with the CAN-SPAM Act. Additionally, if the recipient of the BOC list does not utilize an email program in which each email address is hidden from the other email addresses in the list; the email addresses from the NATA list must be placed in the “Bcc” field rather than the “To” or “Cc” field.
