Thank you for your interest in submitting an Affiliate Session proposal for the 2019 NATA Clinical Symposia & AT Expo. We welcome your submission!

In submitting an Affiliate Session proposal, please understand it will be reviewed with the same rigor and held to the same selection standards as all member-submitted proposals. As such, be aware that you (your NATA Affiliate group) may be asked to modify the submission. The purpose of the Convention Program Committee (CPC) Abstract Proposal Review is solely to ensure the integrity of the educational program at the Annual Meeting. The CPC review process involves three tiers: 1) a blind review by 10-15 peer athletic trainers, 2) an objective review by each member of the Convention Program Committee, and 3) open Committee discussion by the Convention Program Committee.
