Thank you for your interest in submitting a Best Practices Forum proposal for the 2019 NATA Clinical Symposia & AT Expo. We welcome your submission!

We typically receive over 200 proposal submissions each year, well over what we can accommodate in the program. To ensure the integrity and balance of the educational program, each proposal undergoes a rigorous review process, resulting in an acceptance rate from those submissions of approximately 15-18%. The CPC review process involves three tiers: 1) a blind review by 10-15 peer athletic trainers, 2) an objective review by each member of the Convention Program Committee, and 3) open Committee discussion by the Convention Program Committee.

Format & Audience
- Best Practices Forums are 60 minutes in length and led by a panel of discussants and moderator.
  - The first 15 minutes are led by panel discussants that provide an overview on a current topic and pose stimulating questions to the audience.
  - The last 45 minutes are reserved for a structured panel-audience discussion.
- Best Practices Forums accommodate between 100-150 athletic trainers, students, and NATA associate members.
- Eligible registrants may attend an unlimited number of Best Practices Forums.

Important Guidelines
- The purpose of Best Practices Forums is to stimulate discussion between researchers and clinicians on a current topic.
- Proposals must discuss a topic under one of these broad/general categories: ankle and foot, knee, shoulder, head and spine or concussions, heat or hydration, modalities, and education.
- Best Practices Forums are comprised of two panel discussants and one moderator.
  - Discussants & moderator must be familiar with the topic from both a scientific and clinical viewpoint.
- Best Practices Forums must avoid any affiliation with a commercial product or service.
- Best Practices Forums will be scheduled over all three days of the Annual Meeting.
  - Speakers must be available for scheduling on any of the three days of programming.
- New this year, “Themes”, you are encouraged to submit a proposal that may fall under the “Performing Arts (e.g., dance, rodeo, etc), Care Across the Lifespan (e.g., OA, head injury), Manual Therapy
- Best Practices Forums must be classified into one of three categories (Clinical Evidence-Based Practice, Principles of Evidence-Based Practice, Non-patient Oriented). See “Call for Proposals” for definitions of each category.
- Proposals must adhere to the Meeting Honoraria/Expense Policy/Complimentary Registration Policy, as it will be strictly enforced.
- The individual submitting the proposal must have confirmed the presentation with all speakers prior to submission.
- Proposal selection is contingent upon approval by the Convention Program Committee.
- Due to an increase in number of proposal submissions and limitations in size of convention facilities, all proposals may not be selected. In this situation, topics will be selected based on the organization of the program, quality of content and speakers, and significance of the material to the NATA membership.
- After July 16, 2018 the Convention Program Committee will only approve a speaker change if the original speaker is unable to attend the annual meeting.
