When It's Time to Play Again, Be Ready

To help protect people during the current crisis, most events have been canceled or postponed.

At DTN, helping protect people is part of our mission.

When play resumes, we can help you do just that with our newest solution for sporting and recreation events.

OnGuard Siren Alerting helps keep people safe from dangerous weather conditions, with early notification and clear communication that is essential to the safety of those in your care. You can quickly and confidently make accurate decisions around delaying and resuming your event, manage people's expectations and ensure a positive experience – even when inclement weather happens.
