

## FEATURED RECAP

### NATAPAC Breakfast Recap: Not Just an Average Professional

At 7:15 a.m. June 25, more than 300 members assembled in South Seas GH for what NATA President Tory Lindley, MA, ATC, called "the largest NATAPAC Breakfast yet." The breakfast is an annual fundraiser for the NATA Political Action Committee (NATAPAC) to fund the political efforts necessary for the progression of the profession. This year, the keynote speaker was Ronnie Barnes, ATC, the first president of NATA Research & Education Foundation and a NATA Hall of Famer.

### NATA Press Events Garner Local, National Attention

NATA conducted two press events June 25 that garnered local and national awareness to advance patient care. National media outlets, including ESPN.com and Forbes, discussed the findings from a survey conducted by the NATA Intercollegiate Council for Sports Medicine evaluating the adoption of the NCAA independent medical model of care. KTNV (ABC) and KLAS (CBS) filmed NATA President Tory Lindley, MA, ATC, NATA's new AT in Residence Emily Buckingham, ATC, and members of the NATA Public Relations Committee demonstrating cold water Immersion with Darren Woods, wide receiver for University of Nevada at Las Vegas, to educate on heat stroke and how athletic trainers' response to exertional heat illness. NATA also announced that it is donating CWI tubs to local Clark County secondary schools that have a certified athletic trainer.
