NATA President Delivers State of Association

Following the award ceremony and financial report, NATA President Tory Lindley, MA, ATC, delivered the State of Association Wednesday, June 26, in Shoreline, Mandalay Bay. Each year, during the NATA convention, the president discusses the major accomplishments of the previous fiscal year and lets attendees know what to expect in the coming fiscal year.

"Reflective of the work that each of you have done, the work that we find so incredibly fulfilling, let's celebrate that by taking a look back at some of the accomplishments that we all have achieved together last year," Lindley said.

NATA Encourages Members to Give Back

Though it is the last day of NATA 2019, it is not too late to contribute to organizations aiming to change the lives of others. The National Basketball Athletic Trainers' Association Gary Vitti Blood Drive, Be the Match Marrow Registry Drive and Project 150 School Supply Drive are still going strong. Read more about these initiatives, and others NATA supported while in Las Vegas.
