

Ottawa University Sports Medicine Diversity & Inclusion 2020-2021

Ottawa University Sports Medicine is committed to providing high-quality care and skilled, compassionate, reliable service to our community in a safe and healing environment. Consistent with this commitment, OU Sports Med treats athletes and provides all care and services without regard to age, race, ethnicity, religion, ability or disability, national origin, culture, language, socioeconomic status, sex, sexual orientation, gender identity or expression, family and marital status, or any other basis prohibited by federal, state or local law and in alignment with Ottawa University's Diversity Statement.

Ottawa University Sports Medicine strives to deliver optimal care and services to all of our athletes by adopting initiatives, behaviors, attitudes, and policies that enhance cultural competency and inclusion while serving a diverse population. We believe that healthcare services that are respectful of and responsive to the needs of diverse patients help to foster positive health outcomes.

Ottawa University's Sports Medicine Staff follows the guidance of Ottawa University's Diversity Statement to:

Live Diversity by:

- Encouraging and empowering all to build an especially open and welcoming community
- Valuing and respecting ourselves and all others
- Developing a passion for diversity by deepening our cultural awareness and extending our intercultural experiences
- Creating a culture on all of our campuses in which all persons are seen as unique and all individuals know they are prized and valued
- Behaving as open and inclusive people through our actions and voice in all settings we conduct our lives

Lead in Promoting and Defending Diversity by:

- Questioning the status quo, seeking to understand competing perspectives, and encouraging one another to move from our comfort zones to experience and celebrate the richness of a diverse society
