EXPERIENCE

The AT Expo is held in conjunction with our annual NATA Clinical Symposia, bringing more athletic trainers under one roof than any other tradeshow anywhere on the planet. It is the world's premier exhibition in sports medicine with 300+ exhibitors and thousands of athletic trainers. We're expecting a fantastic turnout for this 68th annual NATA Clinical Symposia & AT Expo. Don't miss your opportunity for direct contact with the top professionals in sports medicine!

AT Expo Attendees

ATs are highly qualified, multi-skilled healthcare professionals who work as part of a collaborative inter-professional healthcare team to provide emergency and preventative care, treatment and rehabilitation, and clinical evaluation and diagnosis. They also assess environmental conditions and facility and equipment safety for organizational and professional health and well-being.

“The AT Expo is probably the most valuable experience available to us as ATs. We're able to personally touch base with current vendors, as well as experience and develop professional relationships with new ones! Crucial for us, as ATs to constantly evolve in our great profession.”

“The AT Expo is a valuable resource for smaller NCAA Division 1 institutions that might not have the opportunity to seek out vendors throughout the year or the resources readily available to purchase from new vendors. The AT Expo also falls at a convenient time of the year, right before annual budgets are submitted, so new products can be explored before submitting purchase orders.”

The ATs who comprise our membership work in a wide variety of settings including college/university, clinic, secondary school, professional sports, hospitals, military/ law enforcement/government, amateur/rec/youth sports, health/fitness/sports performance enhancement clinics/clubs, independent contractor, industrial/ occupational/corporate, business/sales/marketing, hospital/clinic administration, physician practice and many other new and emerging workplace settings.

Marketing Your Booth

The AT Expo continues to expand each year with new endeavors and continued growth on the tradeshow floor. With 300+ exhibiting companies, you simply can not afford to pass on marketing and advertising opportunities to call attention to your booth. Give attendees a spotlight on your presence at the show!

VII. Exhibitor Acceptance The undersigned (exhibitor) is authorized to enter into this contract and understands this contract becomes valid when completed, signed and accepted by NATA. By signing below, I am indicating my organization's agreement to abide by NATA's Rules and Regulations (included in the 2017 AT Expo Exhibitor Prospectus and posted online at convention.nata.org) which may be occasionally amended and to all conditions under which exhibit space is leased to NATA at the George R. Brown Convention Center. I accept responsibility for informing all employees and agents of the NATA Rules and Regulations and for ensuring compliance. I further understand the violation and cancelation policies. The undersigned agrees to accept the space assigned and will agree to accept reassignment if necessary to create a more effective exhibition.

2017 NATA Exhibit Space Rules & Regulations

These rules and regulations (the “Rules”) apply to all exhibitors that occupy booth space at the National Athletic Trainers’ Association (the “Organizer”) AT Expo to be held at the George R. Brown Convention Center (the “Center”), Houston, TX, June 27-29, 2017 (the “Trade Show”).

General: the Organizer reserves the right to render all interpretations and decisions relating to the Rules, and to establish further rules and regulations as the Organizer may deem necessary to the general success and well-being of the Trade Show. The organizer shall have sole control over admissions of all persons to the Center and its exhibit area (the “Exhibit Hall”). The Organizer reserves the right to refuse to rent or provide booth space to any exhibitor. **Violation of the rules will result in the deletion of one or more priority points, and/or expulsion from the Trade Show and may jeopardize the exhibitor’s opportunity to exhibit at future events. Exhibitors shall not undertake any activity that may cause harm, intended or otherwise, to any persons present in the Exhibit Hall, and shall cease any activity upon request by the Organizer.**

Payment for Space: No space assignment will be secured without exhibitor payment in full.

A. Payments of exhibition fees are as follows:

1. 50% of the total exhibition fee is due with the submission of contract. Exhibit space will not be assigned without a deposit. A second payment equal to 50% of the total exhibition fee (for a cumulative payment of 100%) is due on or before March 3, 2017. The balance of the total exhibition fee is due in full on or before March 3, 2017.
2. If an Exhibitor contracts after the initial 2017 space draw assignment, but prior to March 3, 2017, 50% of the total exhibition fee is due with the submission of the exhibit contract. If the exhibitor contracts on or after March 3, 2017, 100% of the total exhibition fee is due with submission of the exhibit contract.

B. Only the company name listed on the contract is considered an official 2017 Trade Show exhibitor. All exhibitors must make payments in accordance with the schedule outlined above. Under no circumstances will the exhibitor be permitted to participate in the 2017 Trade Show and/or occupy its exhibit space if full payment has not been received.

Assignment of Space: Initial space draw assignments will be done based on exhibitor priority points. Exhibitors will have 30 days upon initial receipt of the 2017 contract to submit the contract and 50% deposit to Organizer for space draw consideration. All contracts received within the 30-day submission window will be placed in priority point order and assigned exhibit space accordingly. After the initial space draw, space assignment is based on a first-come, first-served basis. Notwithstanding any other provisions of these Rules, the Organizer reserves the right to assign booth space based on other equitable considerations, to alter the exhibit floor plan and change location assignments at any time, as it may deem necessary.

Space Cancellations: Booth space cancellations must be submitted to the Organizer in writing, and acknowledged by Organizer. Cancellations become effective on the date written notification is received by the Organizer. If written notice of participation cancellation is received by the Organizer on or before December 31, 2016, the exhibitor shall pay a cancellation fee equal to 25% of the total exhibition fee. If written notice of participation cancellation is received by the Organizer after December 31, 2016, but prior to March 3, 2017, the exhibitor shall pay a cancellation fee equal to 50% of the total exhibition fee. If written notice is received by the Organizer after March 3, 2017, the exhibitor shall pay a cancellation fee equal to 100% of the total exhibition fee. Exhibitors contracting on or after March 3, 2017 are responsible for the full (100%) exhibition fee, even in the event of cancellation any time thereafter. Any deposits made by the exhibitor may be used to fully or partially reduce the cancellation fees described above.

Downsizing: Downsized booths will follow the same schedule as listed above in Space Cancellations.

General Arrangement of Exhibits: Exhibitor shall arrange exhibits so as not to obstruct the general view or hide other exhibits. All exposed and/or unsightly sides and parts of a display must be finished so as not to be objectionable to other exhibitors or attendees. Overhead signs supported from the floor are permitted if (a) the top of the sign is no higher than the permitted booth height, (b) the sign is no wider than half the length of the side of the booth where hung and (C) the sign is set back at least 25% of the booth’s width dimension from the back line of the booth. No sign may span an aisle. Exhibitor must have carpet or floor covering in its booth. No open flames may be used, and no combustible objects, including packing containers and/or wrapping paper, may be stored behind displays or near any electrical wiring. No canopies may be erected over exhibits. Exhibitor shall ensure that its exhibit complies with all applicable laws, including the public accommodations requirements of the Americans with Disabilities Act. Exhibitor agrees to take necessary measures to safeguard visitors from any hazards associated with its exhibit.

Good Neighbor Policy: The Organizer recognizes a spirit of friendly and honest competition as a valid business practice; however, the use of deceptive and/or unethical methods to obtain information and/or gain an advantage over a competitor is considered a violation of the Rules and Regulations.

Sound and Odor: Sound or other demo equipment must not interfere with adjacent booths. Sound must not be louder than a conversational level and exhibitor agrees to cease use of demo equipment if the Organizer receives complaints. Odor from demo equipment must be kept at levels determined acceptable by the Organizer or be discontinued.

Forms of Entertainment or Amusement: Attention-getting devices in the form of entertainment or amusement must be approved by the Organizer prior to the opening of the Exhibit Hall. Only activities which are in keeping with the professional environment of the Trade Show at the discretion of the Organizer will be allowed. No alcohol is allowed to be distributed by exhibitors within the Center or Trade Show.

Copyrights and Licenses: Exhibitors must obtain all appropriate licenses and rights to use copyrighted materials as part of their booth display or promotion during the event.

Dress Code: The Trade Show is a professional event. Booth personnel please dress accordingly. If exhibit staff is doing on-site demonstrations, athletic apparel with acceptable body coverage, at the discretion of the Organizer, is permitted.

2017 NATA Exhibit Space Rules & Regulations

Photography, Video and Audiotape Activities: Except for services ordered through the official photographer, exhibitors must have prior written approval from the Organizer for any photographing, videotaping or audio taping activity in the Exhibit Hall. If an exhibitor request is approved by the Organizer, a security guard must be hired at the exhibitor's expense to accompany any camera crew for videotaping within the exhibitor's booth space. By participating in the Trade Show, exhibitor personnel consent to the photographing and videography of individuals, companies, and exhibit booths by the Organizer and the media that may be used in all forms for all purposes, including any advertising, trade or commercial purposes.

Inline Booths: Side dividers at the 8' height may be extended no more than 4' from the back line of the booth. Inline booths must not exceed 8' in height. All display fixtures over 4' in height that are within 10 lineal feet from an adjoining exhibit must be located within 5' of the exhibit booth back line. No partitions other than the side rails provided by the official general service contractor will be allowed unless specifically approved by the Organizer.

Island Booths: Island booths must not exceed 20' in height, or lower if the Center's ceiling does not permit extending to 20' height.

End caps: An end cap booth is not permitted by the Organizer.

Canopies: No canopies or tent style booths are permitted by the Organizer.

Hanging Signs: Hanging signs are permitted over island booths (400 sq. ft. and over). The maximum height allowed for island booths is 20'; therefore, the highest point of the hanging sign should not exceed 20'. Hanging signs should be set back 10' from adjacent booths.

Two-Story Booths: Two-story booths must not exceed 20' in height and must be approved in writing by the Fire Marshal. The exhibiting company and/or its representing agency is responsible for securing safety certification from a licensed architect or structural engineer, as well as all local approvals (Fire Marshal, the Center) and having them readily available on-site. The plans for the two-story booth must be submitted to the Organizer in writing at least 6-months prior to the first day of the Trade Show.

Booths and Equipment: The booth prices include back wall, booth dividers and 24-hour perimeter security. The Inline booth price includes one ID sign as ordered on the front side hereof. All other furnishings, equipment, security services, etc., required by each exhibiting company shall be at its own expense and responsibility and may be ordered through the official contractors.

Decorating, Storage, Handling & Shipping and Electrical Services: Labor will be available and pursuant to the rules of the Center and may be required to assist in the assembly, dismantling, packing and unpacking of displays. No exhibitor shall use the Exhibit Hall or its booth for storage. The official general service contractor will furnish complete information about available services and costs, including accessible storage, to all exhibitors.

Porter Service: If you have giveaways that generate trash, you will need to order porter service to remove your empty cartons. Any exhibitor disposing of cartons, containers or other trash in the aisles will be charged for removal and cleaning.

Rules for Installation and Dismantling of Exhibits

Exhibit Installation: Exhibit instructions, rules and installation hours will be made available online. All booths and exhibits must be setup during the designated installation hours. Installation hours will be strictly enforced. Exceptions will be considered for those companies which submit a request in writing to the Organizer for an Early/Late Work Pass. Upon approval by the Organizer, the company may proceed with an early or late exhibit installation. Any booth space with an incomplete exhibit after the final installation hour may be reassigned by the Organizer without any obligation on the part of the Organizer for any refund whatsoever, and the Organizer will not be liable for any expense incurred by the exhibitor. If freight has been delivered to the booth, the Organizer reserves the right to order labor from the general contractor to setup the booth at the exhibitor's expense. Exhibitor shall keep exhibit staffed and intact during all Trade Show hours. Failure to do so will result in a loss of priority points.

Exhibit Dismantling: Absolutely no dismantling may occur before 1:00 p.m. on Thursday, June 29, 2017. Any exhibitor who dismantles or removes any portion of an exhibit prior to 1:00 p.m. on Thursday, June 29, 2017, may be prohibited from purchasing booth space at future trade shows for a period of 1 to 3 years and will lose priority points. Exhibitors will have until 10 a.m. Friday, June 30, 2017, to remove their exhibits and materials from the Center. No early dismantling, teardown or removal of any portion of an exhibit will be permitted during the Trade Show without special written permission from the Organizer.

Sharing or Subletting of Space: No exhibitor shall assign, sublet or apportion the whole or any part of the space allotted to its exhibit therein, or permit any other person or party to exhibit therein any goods, service or apparatus other than those of the type typically manufactured or sold by the exhibitor in its regular course of business.

Use of Booth: Presentations, demonstrations, literature distribution, promotion, etc. are permitted only within the exhibitor's booth. Activities which may cause people to congregate in the aisles are prohibited.

Selling on the Exhibit Floor: Exhibitors are not permitted to execute financial transactions on the exhibit floor without approval from the Organizer. If the Organizer permits such transactions, the exhibitor is solely responsible for abiding by the local and state sales tax codes. Non-exhibitors may not market products on the exhibit floor. Any person violating the Rules set forth in this section will be immediately evicted from the Exhibit Hall.

2017 NATA Exhibit Space Rules & Regulations

Exhibitor Conduct: Exhibitors will be admitted to the Exhibit Hall two hours prior to the opening of the Trade Show. Exhibitors must leave immediately when the Exhibit Hall closes each day. All exhibitor representatives, models and demonstrators must be 18 years of age or older and must be registered as exhibit booth personnel. Exhibitor may only distribute or provide a medicine if it is an over-the-counter product in its original form. Exhibitor shall not perform any medical procedures during the Trade Show, including but not limited to taking x-rays and inserting IVs. The use of helium in any form is not allowed. No weapons of any kind are permitted in the Trade Show. The Organizer reserves the right to require modification of any exhibit or activity, to refuse to permit excessive noise, distribution of souvenirs, advertising matter and to impose or require any other restriction or modification at its sole discretion. Food and beverages may be distributed in sample sizes only, if approved by the Center. If any corkage fee is applicable, the exhibitor will work directly with the Center. All exhibit decorations must be fire retardant.

Use of NATA Members List: After the Trade Show the Organizer will provide each exhibiting company with a post-convention attendee list of the NATA members that attended the Trade Show (the "Member List"). The Member List is the NATA's confidential information, and exhibitor may not disclose the Member List or its contents to any third party. Exhibitor's use of the Member List is strictly limited to one mailing that may be sent only once to each member on the Member List.

Liabilities: The exhibitor shall defend, hold harmless and indemnify the Organizer, the Center and their respective employees, representatives, agents, successors and assigns (the "Indemnified Parties") from and against all third party claims, demands, proceedings, suites and actions, including any liabilities, obligations, settlements, costs and expenses (including reasonable attorneys' fees) (collectively, "Claims") incurred by, borne by or asserted against the Indemnified Parties to the extent such Claims in any way relate to, arise out of, result from (a) the exhibitor's use of the booth and/or participation in the Trade Show, (b) sales and/or distribution of products, (c) intellectual property infringement or (d) violation of the Rules. Exhibitor is responsible for any damage caused by the exhibitor or its employees. Exhibitor shall not drive any nails, tacks or screws into the floor, walls or woodwork of the Center. The Organizer, its agents and employees will not be liable to exhibitor for any damages arising from failure to hold the Trade Show as scheduled. Exhibitor's payments for the booth space will be returned if the Trade Show is canceled. However, if the Trade Show is canceled because of fire, an act of God, the public enemy, strike, acts of terrorism, epidemic or any law or regulations of public authority which makes it impossible, impractical or illegal to hold the convention, actual expenses incurred or committed by the Organizer in connection with preparing for the Trade Show will be prorated and deducted from exhibitor's payment before refunding the difference to the exhibitor. Organizer is not responsible for stolen or damaged property in Exhibit Hall.

Insurance: Exhibitor shall, at its own expense, secure and maintain through the period of the exhibition, inclusive of move-in and move-out days, the following insurance: (a) Worker's Compensation and (b) coverage in the amount of one million dollars (\$1,000,000) of Combined Single Limit coverage to include: Comprehensive Form, Premises/Operations, Contractual, Broad Form Property Damage, Products/Completed Operations and Personal Injury. The certificate shall name the Organizer and the Center as an additional insured, shall provide that the policies may not be canceled or materially altered unless at least 30 days prior written notice has been given to the Organizer and shall cover occurrences on any part of the Center property, as well as any occurrences related to exhibitor's participation in the Trade Show. Exhibitor shall, upon request, provide the Organizer with the Certificate of Insurance. Failure to provide said Certificate to the Organizer does not relieve exhibitor of the responsibility to obtain this coverage. Exhibitor's obligations under this paragraph are material and if Exhibitor fails to comply with them, Exhibitor shall be liable to the Organizer for all damages, consequential or otherwise, the Organizer suffers as a result. The insurance carriers providing such insurance shall have no less than an "A" rating according to A.M. Best's rating and shall be authorized to do business in the State of Maryland.

Exhibitor Appointed Contractor (EAC): Exhibitors must submit all EAC information and insurance to The Expo Group, Organizer's general services contractor, no later than June 9, 2017. If this information is not received the EAC will not be allowed on the Trade Show floor and The Expo Group will provide official labor to install the exhibitor's booth.

Enforcement of Rules: Each exhibitor agrees to adhere to all the Rules. Any action taken against an exhibitor for violation of the Rules will be determined on the basis of the particular circumstances of each case. The Organizer reserves the right to terminate or modify the exhibitor's display privileges at any time for breach of the Rules. The Organizer's decisions and interpretations shall be accepted as final in all cases.

Violation of Rules and Regulations: Violation of the Rules may result in any or all of the following: (a) verbal and/or written warning to the exhibitor, (b) loss of accrued priority points, (c) eviction from the Trade Show, (d) termination of the current exhibit and subsequent ineligibility to exhibit at future trade shows, or (e) up to \$1,000 in fines. The Organizer is not liable for any refunds on rentals or other exhibit expenses. In the case of an eviction, dismantling of the booth will take place after the Exhibit Hall closes to prevent disruption of the show.

In Case of an Eviction: 1. Exhibitor must leave the Center immediately without protest or appeal, 2. Exhibitor shall not dismantle its booth until the Trade Show ends for the day, 3. The Organizer is not liable for any refunds on exhibit space or other expenses, and 4. Exhibitor will be accompanied from the Center by security, and after the Trade Show ends for the day, exhibitor shall not re-enter the Center to dismantle and remove its exhibit unless accompanied by security.

Liability Limits: In no event shall the Organizer be liable for any lost profits or special incidental or consequential damages (however arising, including negligence) arising out of or in connection with the Trade Show, the exhibitor's exhibit or this contract. Further, in no event shall the Organizer be liable to you in an amount greater than \$75.

Choice of Law and Venue: This contract is governed in all respects by the laws of the State of Texas as such laws applied to agreements entered into and to be performed entirely within Texas between Texas residents. For the purpose of any dispute arising out of this Contract, the parties submit exclusively to the jurisdiction of the state and federal courts located in Dallas County, Texas.
