2021 Salary Survey Data Subsections Overview

The following report includes data points for specific subsections of athletic trainers including:

- College/University setting
- Ethnically diverse respondents
- Higher education setting
- Professional sports setting
- Secondary schools setting
- Young professionals
- Gender comparison
- Part-time employees

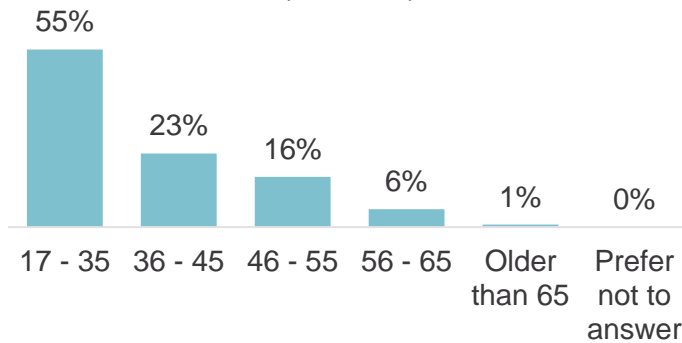

College/University

Athletic trainers working in college/university settings comprised 36 percent of all survey respondents.

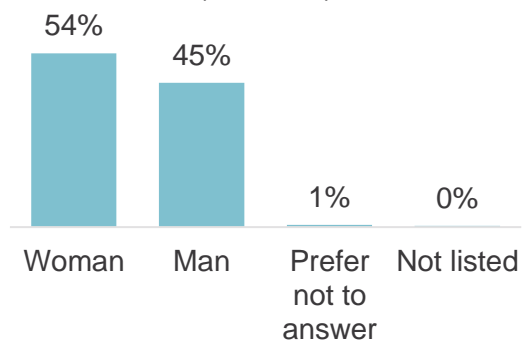

Part I: Participation

Primary Work Setting by College/University		
Primary Work Setting	Percentage	Count
College/University - NCAA Division I - Professional Staff/Athletics/Clinic	12%	983
College/University - Faculty/Academic/Research	6%	518
College/University - NCAA Division III - Professional Staff/Athletics/Clinic	5%	405
College/University - NCAA Division II - Professional Staff/Athletics/Clinic	4%	341
College/University - NAIA - Professional Staff/Athletics/Clinic	3%	282
College/University - Two yr. Institution - Professional Staff/Athletics/Clinic	2%	139
College/University – Administration (e.g., Division Chair, Dean, Vice President, etc.)	1%	96
College/University- Hospital/Health System	1%	68
College/University - Campus Health/Recreation	0.5%	39
College/University - NCAA Division III - Split Appointment	0.4%	34
College/University - NCAA Division I - Split Appointment	0.3%	29
College/University - NCAA Division II - Split Appointment	0.3%	25
College/University - NAIA - Split Appointment	0.3%	21
College/University - Two yr. Institution - Split Appointment	0.2%	19
College/University - Two yr. Institution - Faculty/Academic/Research	0.2%	17
College/University - Performing Arts	0.0%	4
