

## GUIDELINES FOR PROPOSAL SUBMISSION

### SPECIAL TOPICS

2019 Clinical Symposia & AT Expo  
June 25 – June 28, 2019 · Las Vegas, NV

Thank you for your interest in submitting a Special Topic proposal for the 2019 NATA Clinical Symposia & AT Expo. We welcome your submission!

We typically receive over 200 proposal submissions each year, well over what we can accommodate in the program. To ensure the integrity and balance of the educational program, each proposal undergoes a rigorous review process, resulting in an acceptance rate from those submissions of approximately 15-18%. The Convention Program Committee review process involves three tiers: 1) a blind review by 10-15 peer athletic trainers, 2) an objective review by each member of the Convention Program Committee, and 3) open Committee discussion by the Convention Program Committee.

#### Format & Audience

- Special Topics are one hour in length, typically featuring a lecture presentation and possible interactive discussions.
- Attendance is determined by room capacity.

#### Important Guidelines

- Special Topic presentations must fall within the domains of practice for athletic training.
- Special Topics **do not provide room for participatory hands-on activities and do not include demonstrations, "however, videos may be imbedded in the presentation and are encouraged if necessary to illustrate a technique or procedure."**
- Special Topics are presented by one speaker.
- Special Topics must avoid any affiliation with a commercial product or service.
- Special Topics will be scheduled over all three days of the Annual Meeting.
  - **Speakers must be available for scheduling on any of the three days of programming.**
- **New this year, "Themes", you are encouraged to submit a proposal that may fall under the "Performing Arts (e.g., dance, rodeo, etc), Care Across the Lifespan (e.g., OA, head injury), Manual Therapy**
- Special Topics must be classified into one of three categories (Clinical Evidence-Based Practice, Principles of Evidence-Based Practice, Non-patient Oriented). See "Call for Proposals" for definitions of each category.
- Proposals must adhere to the Meeting Honoraria/Expense Policy/Complimentary Registration Policy, as it will be strictly enforced.
- Proposal selection is contingent upon approval by the Convention Program Committee.
- Due to an increase in number of proposal submissions and limitations in size of convention facilities, not all proposals may be selected. In this situation, topics will be selected based on the organization of the program, quality of content and speakers, and significance of the material to the NATA membership.
- After **July 16, 2018** the Convention Program Committee will only approve a speaker change if the original speaker is unable to attend the annual meeting.

#### Deadline

- Proposals must be submitted no later than **July 16, 2018**.
- Incomplete (e.g., missing speaker CV) and/or late proposals will NOT be accepted.
